Choose a model that is easy to carry thanks to its inflatable arch. Discover the benefits of AIR CAMP technology, TRIGANO innovation, which simplifies installation and makes it considerably more compact. The front can be detached or rolled up to increase your living space area. The two side doors with mosquito screens add a practical aspect to this awning, which measures 2.50 m in depth. To preserve your privacy after the sun sets, or during the day if needed, the windows are fitted with interior blinds. The LAGOON awning is extremely robust and features an ultra-resistant coated fabric. The Awning Canopy Kit lets you fit the awning onto the canopy of certain motorhomes and campervans.

SPECIAL FEATURES

- Exterior inflation point for fast access
- Pegging loop on the skirt
